Flagstaff Fine Foods: new menu items, discontinued meals and price changes

Dear Customers,

Thank you for supporting Flagstaff Fine Foods and purchasing our frozen meals. We are committed to providing you a healthy and nutritious meal with quality ingredients, and we hope our menu keeps satisfying your taste buds! Flagstaff Fine Foods prides itself on the high standards of our meals and refuses to compromise on meal quality. We only use high quality meats, vegetables and produce, to create a healthy, nutritious and balanced meal for our customers.

We would also like to thank our loyal customers who supported us during the testing times of COVID-19. Your custom allowed us all to keep providing sustainable employment to over 250 people with a disability at Flagstaff, who were able to keep preparing our frozen meal range.

The last 12 months has posed a lot of challenges for food supply and costs with the ongoing drought, fires, floods and COVID-19. Many components including raw materials, transport, packaging, food, labour and manufacturing costs have increased significantly. We will be having a small increase to meal pricing effective from 1 July 2020.
